

Five friends go to a remote cabin in the woods. Bad things happen. If you think you know this story, think again. From fan favorites Joss Whedon and Drew Goddard comes "The Cabin in the Woods" a mind-blowing horror film that turns the genre inside out. Produced by Whedon and directed by Goddard from a script by both, the film stars Kristen Connolly, Chris Hemsworth, Anna Hutchison, Fran Kranz, Jesse Williams, Richard Jenkins and Bradley Whitford. The Cabin In The Woods hits theaters April 13th.
