This newly unveiled website contains tons of information about the Aliens, their ships, weapons and their technology and an interactive map that shows you how the aliens have been tracked. For years, there have been documented cases of UFO sightings around the world – Buenos Aires, Seoul, France, Germany, China. But in 2011, what were once just sightings will become a terrifying reality when Earth is attacked by unknown forces. As people everywhere watch the world's great cities fall, Los Angeles becomes the last stand for mankind in a battle no one expected. It's up to a Marine staff sergeant (Aaron Eckhart) and his new platoon to draw a line in the sand as they take on an enemy unlike any they've ever encountered before. Yes guys, the aliens are actually in the sewers right now! To access the Viral site head on over to the Battle LA official website(linked below) and
