

Today in G4tv's Attack Of the Show, Marc Webb visited the set and was in a segment in which the hosts reveal already known objects from Peter Parkers backpack but also a couple new pages from his notebook. Check out the video below and the screen shots. Also, the viral marketing site, markofthespider-man.com, was updated. Game Trailers - E3 2012 - Movies and TV G4tv.com may have given out a hint saying, "Here's some more strange spider code. Do you think each red leg corresponds to a letter? Hmmm. Either that or this is a very organized doodle."
