

Hey Guys, Another X-Men: First Class TV spot aired, during the commercial break of "American Idol". The new spot offers some slightly new footage, of Angel, Emma Frost, and Magneto. Check it out below! "X-MEN FIRST CLASS charts the epic beginning of the X-Men saga, and reveals a secret history of famous global events. Before mutants had revealed themselves to the world, and before Charles Xavier and Erik Lehnsherr took the names Professor X and Magneto, they were two young men discovering their powers for the first time. Not archenemies, they were instead at first the closest of friends, working together with other Mutants (some familiar, some new), to prevent nuclear Armageddon. In the process, a grave rift between them opened, which began the eternal war between Magneto's Brotherhood and Professor X's X-Men." [X-Men: First Class hits cinemas June 3rd, 2011.
