

In a universe as vast as it is mysterious, a small but powerful force has existed for centuries. Protectors of peace and justice, they are called the Green Lantern Corps. A brotherhood of warriors sworn to keep intergalactic order, each Green Lantern wears a ring that grants him superpowers. But when a new enemy called Parallax threatens to destroy the balance of power in the Universe, their fate and the fate of Earth lie in the hands of their newest recruit, the first human ever selected: Hal Jordan. Here's an interview I found with Nick Jones, who's long been rumored to star in Green Lantern as John Stewart, where he talks a bit about his involvement with Green Lantern. He also touches on Ryan Reynolds, the CGI costume, and possible GL sequels. Shawn S. Lealos: We're you a Green Lantern fan in specific? Nick Jones: Not a Green Lantern fan in specific. I wasn't
