

Who is NIGHTCRAWLER? NIGHTCRAWLER is Kurt Wagner, a mutant with the power to teleport, shadow meld, and adhere to and climb walls. Despite his demonic appearance NIGHTCRAWLER is a devout Catholic. He is also a trained acrobat and skilled swordsman. NIGHTCRAWLER is a Marvel comics character associated with the superteams, the X-Men and Excalibur. NIGHTCRAWLER was created by writer Len Wein and artist Dave Cockrum, he debuted in Giant-Size X-Men #1 (May 1975). A mutant, NIGHTCRAWLER possesses superhuman agility, the ability to teleport, invisibility in deep shadows, and adhesive hands and feet. His physical mutations include blue fur, two-toed and -fingered feet and hands, yellow eyes, and a prehensile tail. NIGHTCRAWLER was born with his unusual physical characteristics, but his power of self-teleportation did not emerge until puberty. A gypsy found Wagner an hour after his birth, in a small roadside shelter in the Bavarian Alps. NIGHTCRAWLER's mother is the
