

What is a "Nolanite"? Generally, it's assumed to be someone who thinks that Nolan can do no wrong. Who blindly expects that whatever he does ,or makes is going to be brilliant and a stroke of genius. They are people who believe that Nolan has single-handedly saved the 'Batman' franchise and forever established a precedent that ALL film-makers tasked with the responsibility of helming a CBM must aspire to. He's the man who brought 'realism ' to the CBM genre- the 'Godfather', if you will, to serious CBM production. No longer is cheesy, pandering film-making a norm in the CBM film world, no, Nolan showed the industry , nay the WORLD how it's really done! Realistically let's face it, Nolan has yet to make a stinker. Spielberg, Cameron, Lucas, Ridley Scott, Scorsese, Coppola, etc. they all made less than respectable films- forgettable in the least. But Nolan, not so. 1)Memento 2)Batman Begins 3)The Prestige 4)The
