

The latest from this year's New York Comic Con comes via Marvelous News, depicting Kotobukiya's preview of their upcoming fine arts statue modeled after Iron Man's new mark 7 armor in Marvel's The Avengers movie. Although only in the sculpting stage, unlike promo art, it does offer a detailed look at the yet-to-be-revealed armor in the movie. Check out images below. Marvel's The Avengers is the Super Hero team up of a lifetime, featuring iconic Marvel Super Heroes Iron Man, The Incredible Hulk, Thor, Captain America, Hawkeye and Black Widow. When an unexpected enemy emerges that threatens global safety and security, Nick Fury, Director of the international peacekeeping agency known as S.H.I.E.L.D., finds himself in need of a team to pull the world back from the brink of disaster. Spanning the globe, a daring recruitment effort begins. Starring Robert Downey Jr., Chris Evans, Mark Ruffalo, Chris Hemsworth, Scarlett Johansson,
