

Yet another one for the ol Resurrection. Last time we saw Sabertooth he was in a bit of a pickle, being dead and all. He was decapitated by Wolverine. Given that it's very rare for a well known comic book character to stay dead for very long many assumed we would see Sabertooth back before now but better late than never. The vicious bastard will return.. Those of you who have been clamoring for Sabretooth to make Wolverine's life miserable, he is coming back," Loeb said. How can that be possible, since Sabretooth was decapitated? "If you go back and actually look at 'Evolution,' and particularly the last issue of that story, it is there. We did leave bread crumbs along the way. It's not going to be a time travel trick." I am happy about this though because Sabertooth has always been one of my favorite bad guys. How do you guys
