

Debuting at New York Comic-Con, check out this amazing action-packed Arrow sizzle reel featuring plenty of glimpses of upcoming villains and heroes such as John Barrowman's "Well-Dressed Man", Jessica de Gouw as Helena Bertinelli, Deathstroke, Michael Rowe as Deadshot, The Royal Flush Gang's bank heist and more of Kelly Hu's China White, who debuts next week. NEW YORK (October 14, 2012) — Fresh off its triumphant series premiere which was the most-watched new show debut on The CW Network in over three years and also the most-watched telecast of any kind on the network in three years, the new series Arrow (Wednesdays 8/7c on The CW) struck a Gotham bulls-eye today during its first-ever appearance at New York Comic Con.
