

When footage from Luc Besson's Valerian and The City of A Thousand Planets screened a few months back at SDCC, it was met with a standing ovation - so fans have been looking forward to the first officially released teaser trailer, which should debut this weekend during New York Comic-Con. In anticipation of that, EuropaCorp has released the first poster for the sci-fi flick, along with three new images featuring the main cast members (Dane DeHaan and Cara Delevingne) and a trio of alien characters known as the Doghan Daguis. Valerian (Dane DeHaan) and Laureline (Cara Delevingne) are special operatives for the government of the human territories charged with maintaining order throughout the universe. Valerian has more in mind than a professional relationship with his partner- blatantly chasing after her with propositions of romance. But his extensive history with women, and her traditional values, drive Laureline to continuously rebuff him. Under directive from their Commander (Clive Owen), Valerian and Laureline embark on a mission
