

"Raúl is one of my top concept designers. The idea with this particular piece was to emulate an old WWII propaganda poster/flyer that went along with the world we were creating. It symbolizes rationing - voluntary work force, no guts, no glory kind of heroism." said Del Toro of the poster and its artist. In addition, it has been announced that a graphic novel penned by the movie's writer Travis Beacham is also in the works, that will serve as a prequel in three parts. Del Toro will be signing copies at the Legendary Entertainment booth on Friday, October 12 at 2 pm. The art will also be unveiled at the Legendary panel at 5:15 pm. When legions of monstrous creatures, known as Kaiju, started rising from the sea, a war began that would take millions of lives and consume humanity's resources for years on end. To combat the giant Kaiju, a
