

Who is ODIN? ODIN is the ruler of Asgard the All-Father of the Norse gods. He is the father of Thor, Vidar, Balder and adoptive father of Loki. Marvel Comics' ODIN first appeared in Journey into Mystery #85 (October 1962), and was created by Stan Lee and Jack Kirby. He was based on the god of the same name from Norse mythology, ODIN claims to have created humans as he felt the world was lonely. But his father was angry and created things to plague humanity. He is a warrior, like many of his kin they thrive in battle, a young ODIN had battled and defeated the fire demon Surtur. Many millenia later, ODIN becomes the ruler of Asgard. In his early appearances, ODIN has gone through several outfits. Typical for a character who appears sparingly in the comics, this leaves different artists to do their own interpretation on the character's
