

Primetime television stars Nathan Fillion and Tim Daly, the reigning voices of Green Lantern and Superman, respectively, join an exciting group of actors reprising their famed cartoon roles in Justice League: Doom, an all-new entry in the popular series of DC Universe Animated Original Movies due in early 2012 from Warner Home Video. Justice League: Doom finds Superman, Wonder Woman, Flash, Green Lantern, Martian Manhunter, Cyborg and Batman on their heels when a team of super villains discover and implement the Dark Knight's "contingency plans" for stopping any rogue Justice League member. The story is inspired by Mark Waid's much-heralded "JLA: Tower of Babel." If you haven't seen the trailer yet, check it out below: Justice League: Doom hits DVD/Blu-Ray in early 2012.
