

If you love watching the classic Spider-Man cartoons such as Spider-Man The Animated Series, and Spectacular Spider-Man I hope you got your fill. Disney has announced that it is pulling those two cartoons in preparation for their newest animated series featuring Spidey titled, Ultimate Spider-Man. The move has been confirmed by a representative for Disney XD to Toon Zone, and was made to avoid confusion with the new series. When asked if the other series would be making a return after the premiere of Ultimate Spider-Man, the representative said they did not expect it anytime soon. Other programming such as The Avengers: Earth's Mightiest Heroes, X-Men, Fantastic Four, Silver Surfer, The Incredible Hulk, and Iron Man will remain on the air as this move was made with Spider-Man related cartoons only. Ultimate Spider-Man will center around a teenage Peter Parker juggling the typical growing pains of high-school with the not-so-typical growing pains of
