

The midseason finale of Arrow was one crazy hour, chock-full of wild twists and turns, including Oliver being tricked into killing Det. Malone, Diggle getting arrested, and of course, Laurel Lance returning seemingly back from the dead. The recently renewed series returns this week, from its lengthy winter hiatus, with an episode that'll hopefully offer a few answers instead of raising more questions, especially regarding the Black Canary and her identity. The CW has released the first clip from the upcoming episode, titled "Who Are You?," featuring Oliver paying a visit to Diggle in prison where the pair reassess their current situation and try to make sense of everything that's happened.
