

The promo for the midseason premiere of Arrow (as long as you don't mind spoilers, you can check it out [here](#)) revealed the big mystery behind the return of Katie Cassidy's Laurel Lance, but as we see from this new clip, Ollie and his pals are going to remain in the dark - initially, at any rate. In the first sneak peek from "Who are You," Oliver fills Diggle in on what's been going on, before the pair decide Green Arrow's right-hand man has stayed behind bars long enough, and begin to formulate a plan to get him out of there. How do you guys think this will play out? All will become clear when Arrow returns to The CW on January 25.
