

From Marvel.com.. Omega Red joins "Wolverine" in a destructive debut that's sure to raise a few hairs, and you can get your first look at the villain's anime premiere in this Marvel.com EXCLUSIVE clip from Friday's new episode! Will Wolverine survive Omega Red? You'll have to watch "Wolverine" beginning at 11:30 p.m. ET Friday to find out, only on G4! I haven't been watching this, worth a look? By TwitterButtons.com
