

Legion premieres February 8 and if all goes according to plan, the highly ambitious series could usher in a whole new era of Marvel television on FX. The X-Men spin-off series, which comes to us from Fargo creator Noah Hawley, stars Dan Stevens (Beauty and the Beast) as the troubled David Haller - son of Charles Xavier - with an impressive supporting cast that includes Rachel Keller (Fargo), Jean Smart (The Accountant), and Aubrey Plaza (Parks and Recreation), amongst others. Outside of a few mind-blowing trailers, not much actual footage from the series has been released and this latest promo continues the trend as it opts to showcase Stevens & Keller meeting up and creating some serious fireworks.
