

Do you like the evolution of it? Well, in a way no. Why not? It's dark. I think we had so much fun in the 60's, 1966 to 68, and then Vietnam came and everything got darker and darker and darker. How does it feel to you playing Catwoman and realizing you were part in starting that. It's nice to be immortal. The Dark Knight Rises is the latest and final sequel to the Nolan directed Batman series, its predecessors being Batman Begins and the The Dark Knight. The character first appearing in Detective Comics #27, Batman was created by artist Bob Kane and writer Bill Finger, and has subsequently appeared in many comics, books, television, and movies. The current premise for the feature film The Dark Knight Rises is: Following the death of District Attorney Harvey Dent, Batman assumes responsibility for Dent's crimes to protect Dent's reputation and is subsequently hunted by the Gotham City Police
