

About 50 pieces of concept art were posted on a Thundercats board by a poster called LiarDice Films, who got hold of some art from the Original Thundercats Cartoon Series. The art was created by Jim Meskimen, a voice actor who has appeared in numerous projects such as G.I. Joe Renegades, Avatar: The Last Air Bender, and Justice League as well as numerous video games. Jim is also known as a fantastic illustrator. According to the original poster, Jim was the sole U.S. artist working with Rankin Bass. Some of his work made it into the television show as well as other media. Some of the ideas were never used. Here are just a few of the pieces posted. [click to expand](#) ThunderCats is an animated television series that was produced by Rankin/Bass Productions debuting in 1984, based on the characters created by Tobin
