

Many thanks to Twitter's @lorengejuice for the following. And if you require any further proof that this is indeed related to The Amazing Spider-Man here is a Tweet from our friends over at On Location Vacations which confirms both that and its location. Anyone else think that this and the fact that Andrew Garfield was spotted in a pair of glasses might mean this is in relation to the origin scenes? As some of you may already know, the Ultimate Spider-Man series featured Peter Parker getting his powers at the Oscorp facility. Whether this means we'll see Norman Osborn in the upcoming movie is still unknown. With an all star cast that includes Andrew Garfield as Spider-Man, Emma Stone as Gwen Stacy, Denis Leary as Captain George Stacy, Rhys Ifans as Curt Connors, Martin Sheen as Uncle Ben and Sally Field as Aunt May, The Amazing Spider-Man is set to be released in 3D
