

In just two weeks time, hungry fans will get to feast on Marvel Studios' final offering of 2016 - Doctor Strange! The Scott Derrickson-directed film will finally introduce the Sorcerer Supreme Stephen Strange, played by Academy Award-nominee Benedict Cumberbatch, to the Marvel Cinematic Universe and with him, bring on a brand new never-before-seen mystical element to the mostly grounded MCU. We have a ton of new stills as well as a lot of old ones in full hi-resolution. Check them out below:

Marvel's Doctor Strange follows the story of the talented neurosurgeon Doctor Stephen Strange who, after a tragic car accident, must put ego aside and learn the secrets of a hidden world of mysticism and alternate dimensions. Based in New York City's Greenwich Village, Doctor Strange must act as an intermediary between the real world and what lies beyond, utilising a vast array of metaphysical abilities and artifacts to protect the Marvel cinematic universe. Doctor Strange features:
Director: Scott Derrickson
Benedict Cumberbatch as Stephen Strange/Doctor Strange
