

Seeming somewhat typical around this time of release for a comic book movie, raw behind-the-scenes footage have found it's way online for next week's much-anticipated Captain America: The First Avenger movie. For those who don't mind being a little spoiled, check out over eight minutes of the b-roll footage below, via Trailer Addict. Captain America: The First Avenger focuses on the early days of the Marvel Universe when Steve Rogers volunteers to participate in an experimental program that turns him into the Super Soldier known as Captain America. As Captain America, Rogers joins forces with Bucky Barnes and Peggy Carter to wage war on the evil HYDRA organization, led by the villainous Red Skull. Starring Chris Evans, Sebastian Stan, Tommy Lee Jones, Hayley Atwell, Samuel L. Jackson, Stanley Tucci and Hugo Weaving, the film releases July 22, 2011.
