

Since it was announced that Jonathan Liebesman (Wrath Of The Titans, Battle LA) would be taking the helm on a rebooted live action outing for the Teenage Mutant Ninja Turtles, we haven't heard much else about it. Well now an official release date has been set by Paramount, and those mean, green, fighting machines will be with us Christmas day 2013.. Paramount Pictures and Nickelodeon Movies are proud to announce the release of TEENAGE MUTANT NINJA TURTLES on December 25, 2013 (wide). And please note the following updates to Paramount's release schedule: ONE SHOT, previously scheduled for February 8, 2013, will now open on December 21, 2012 (wide). WORLD WAR Z, previously scheduled for December 21, 2012, will now open on June 21, 2013 (wide). The budget for the movie is also said to be \$100 Million. As you can see Paramount have shaken the release dates up on two of their other big movies too. In addition, In
