

Well, Marvel have officially gone outside the box in their choice to replace Kenneth Branagh on Thor 2 as Monster director Patty Jenkins signs on. Here is the press release in full.. Marvel Studios announced today that Patty Jenkins will direct THOR 2, which will be released in theatres on Friday, November 15, 2013. Chris Hemsworth and Natalie Portman will return to star in the film along with Tom Hiddleston. Marvel Studios' Kevin Feige will produce the sequel to this summer's blockbuster THOR, which has grossed over \$448 million worldwide to date. Patty Jenkins previously directed MONSTER starring Charlize Theron, who won an Academy Award® for her performance in the film. Jenkins, who received an Emmy nomination for directing the pilot of AMC's acclaimed series The Killing, has also directed episodes of Entourage and Arrested Development. Most recently, she directed "Pearl," one of the five short films that comprise Lifetime's
