

Anyone who is a fan of The Dark Knight knows that Paul Dini is the man behind Batman: The Animated Series, both Batman: Arkam games and plenty of other key Batman stories and graphic novels. Well, SFX caught up with Dini and he will make a triumphant return to Batman in the form of a graphic novel that is very unique and personal to him. About Writing Batman Again: "Yeah, I have a big Batman story in me, it's a very personal one and I've just got permission from DC to do it, We're just finalizing the deal right now for me to write it as a graphic novel and I've very excited about it," Projected Release And Story Details: "I've already started work on it and it'll probably be a year or two down the road but this is something that I've had inside me for a long time, it's going to be a
