

FYI, I didn't get to catch the premiere of GL:TAS last night when it first aired on Cartoon Network, but I managed to watch it earlier today on YouTube. I gotta say that I was pretty impressed with what I saw (I initially had low expectations). While not perfect, the hour-long event proves that the series has some serious potential, and a great way for DC to launch some of their other characters into solo TV shows (Flash, Wonder Woman, etc). As usual, I'll be putting some spoilers in the following review, so if you don't want to be spoiled before watching, then skip to the final paragraphs. Green Lantern: The Animated Series Premiere (2011)
