

The five-year build-up to Marvel's The Avengers box office-spectacle has favorably concluded "phase one" of the Marvel cinematic universe; with "phase two" well underway. And now a chance to own all six movies as a collector's set is coming on blu-ray, according to Amazon. The online retailer has listed what's being called Marvel Cinematic Universe: Phase One - Avengers Assembled . Check out details and slipcase cover below! (10-Disc Limited Edition Six-Movie Collector's Set) [Blu-ray] • Marvel's The Avengers (Blu-ray 3D and Blu-ray) • Captain America: The First Avenger (Blu-ray 3D and Blu-ray) • Thor (Blu-ray 3D and Blu-ray) • Iron Man 2 (Blu-ray) • The Incredible Hulk (Blu-ray) • Iron Man (Blu-ray) • Bonus Disc - "The Phase One Archives" (Blu-ray) • Collectible packaging with exclusive memorabilia from the Marvel Cinematic Universe Seemingly coinciding with the separate release of Marvel's The Avengers on DVD and Blu-ray, more complete details for the
