

With reshoots well underway in New York City, we've had a few extra set photos appear online from The Amazing Spider-Man. Sadly, there's been no sign of the hero in full costume, but we do have Andrew Garfield as Peter Parker! Remember, if you have any information or set pics you'd like to share with us, get in touch by clicking [HERE](#). The first batch of photos come courtesy of Twitter's @RIMBreaks. These photos come courtesy of Bowery Boogie, as do the brief details on the scene which was being filmed. While that taxi apparently fell from the bridge, I seem to recall cars being flung around in the teaser trailer...could this be the Lizard's handiwork I wonder? Fiona's Tale AKA Spiderman 4 is filming on location underneath the Willy B tonight [Thursday] alongside East River Housing. You can see a destroyed Taxi, that appears to have fallen from the bridge. I shot
