

Finding Dory was another smash hit for Disney and Pixar, grossing over \$1 billion worldwide and earning praise from fans and critics alike. However, it hasn't stopped the team over at Screen Junkies from bursting that bubble in their new Honest Trailer for the film, which takes aim at Pixar's knack for unnecessary sequels and Disney's sudden trend of spin-offs featuring secondary characters. The story certainly doesn't stop them from sobbing though! What did you think of Pixar's latest sequel? Sound off below!

Dory is a wide-eyed, blue tang fish who suffers from memory loss every 10 seconds or so. The one thing she can remember is that she somehow became separated from her parents as a child. With help from her friends Nemo and Marlin, Dory embarks on an epic adventure to find them.
