

Onto the tribute Folks, Oh Gusto you old perv, Why did you have to turn into a turd? Those who were familiar with Gusto knows that he loved women, both sizes (occasionally Argo). Those who were not familiar with him still knows that he's the token old man who drank beer and is a proud American. He was unbiased and loved all the folks here. May it be a Marvelite, Nolanite or any other -ites. He was also an accomplished troll hunter, becoming Chief of "teabag army," he commanded that unit to water down the shit that was being tossed between bickering Nolanites and Marvelites. Having that title was not his greatest accomplishment as his induction to uber-exclusive non-existent club of S.O.A.L. was. Hate or Love Gusto, he brought smiles to our faces until the day he decided to go crazy and post pics of Care Bears, love and religion instead of more Rachel Nichols
