

We're now at the halfway point in Avengers Vs. X-Men, but which team are you behind? While many argued that the first act portrayed the X-Men as being the villains, the Avengers weren't exactly entirely faultless with the way they handled things either. We're now in Act Two, and can anyone support the Avengers' decision to try and stop the Phoenix Five from making the Earth a better place? It's by no means easy to pick a side (unlike Civil War) but with six issues down and six to go, whose side are you on?! Here's your chance to decide...
