

With an April release date, we now have confirmation that Captain America 2 is the first film on Marvel's 2014 release schedule. Of course, Marvel usually puts out 2 films a year (unless it's an Avengers year) so it's safe to assume that another Marvel film will be released later in the year. With Iron Man 3 and Thor 2 being released in 2013, we have a distinct possibility of seeing a brand new hero getting a debut in the Marvel Cinematic Universe come Summer/Fall 2014. Ant-man? Doctor Strange? Inhumans? Luke Cage? Or maybe another Hulk movie or a solo film for Black Widow or Hawkeye? For now, let's look at Captain America 2. There's a number of villains to choose from with Cap now set in modern times. Maybe Baron Zemo, Madame Hydra, Baron von Strucker, Red Skull, Sin, Taskmaster or maybe....Winter Soldier? You could get a nice flashback
