

It's safe to say that most people really liked X-Men: First Class. Matthew Vaughn's take on our favorite mutant heroes was unique, fresh and it was an overall good film. Now, film was released today in US on DVD and Blu-Ray, and with that, producer Lauren Shuler Donner shared some info on many projects including on what is going on with First Class sequel. She said that if they are going to do it, it must be with director Matthew Vaughn. Which, lets face it, is the best idea. But, like everything in Hollywood, things change every day. While Donner also mentioned X-Men 4 could happen (probably not at this point), right now they are seriously talking about First Class sequel. X-MEN: FIRST CLASS unveils the epic beginning of the X-Men saga – and a secret history of the Cold War and our world at the brink of nuclear Armageddon. As
