

By now, you've no doubt read my review of Rogue One: A Star Wars Story and seen my breakdown of what did and did not work, but now it's time for you to weigh in with your thoughts on the movie. The critical response has been very positive, but not quite as good as Star Wars: The Force Awakens. Despite that, many are calling this the best Star Wars movie to date, an impressive feat when you consider the fact that the production was pretty troubled thanks to extensive reshoots and multiple edits. It's amazing that Rogue One didn't end up being as messy as Fantastic Four and Suicide Squad! So, now you've seen the movie, here's your chance to cast your vote with a star rating and to weigh in with your thoughts in the comments section. It goes without saying that if you haven't seen Rogue One yet, you may want to stop reading now, especially as major spoilers are no
