

After seeing the new Dredd trailer do you think the film will be better than Sylvester Stallone's version? Does Karl Urban's voice sound too much like Christian Bale's Batman voice, or do you think it sounds correctly like Clint Eastwood? Does the plot of the film seem to borrow too much from the Indonesian action film The Raid: Redemption? Voice your opinion in the poll and the comment section below. The future America is an irradiated waste land. On its East Coast, running from Boston to Washington DC, lies Mega City One- a vast, violent metropolis where criminals rule the chaotic streets. The only force of order lies with the urban cops called "Judges" who possess the combined powers of judge, jury and instant executioner. Known and feared throughout the city, Dredd (Karl Urban) is the ultimate Judge, challenged with ridding the city of its latest scourge – a dangerous drug epidemic
