

It's not out in a few countries yet, but Cowboys & Aliens has already fought it's way to the #1 spot at the US box office. After the mixed reviews from critics for Jon Favreau's last movie, Iron Man 2, it's a shame to see his latest comic book movie adaptation not faring all that much better. (it currently sits at 43% on Rotten Tomatoes) The only opinions that really matter of course are your own, so what did you think of Cowboys & Aliens? Here's your chance to cast your vote!
