

Just like Green Lantern we find ourselves split pretty much down the middle when it comes to Michael Bay's latest. Some felt that it was terrible aside from the action which does not a complete movie make, some felt that to expect anything more from a movie like this was unrealistic. You know what I thought, and if you didn't catch it check out my review [Here](#). But after letting the explosions and the ass shots sink in for a few days, how did you guys really feel about Transformers: DOTM? By [TwitterButtons.com](#)
