

Wrath Of The Titans opened with a bit of a whimper this past weekend, failing to live up to its predecessor's opening BO. It was a better movie though, at least in my opinion (you can read my review [here](#)). Better but still not particularly good. It's Tuesday, so I'm sure a good deal of you who were going to see it have by now. So was the steady stream of brilliantly realized monsters and non stop action enough for you? Or was the silly story and less than stellar acting too much to bear? Vote below and be sure to share your thoughts in the usual place..
