

Last week I asked you what was your favorite of Fox's X-Men movies with the most recent, First Class, winning out. But much less dividing in opinion are Marvel Studios' 5 movies. Their takes on The Hulk, Thor, Cap and Iron Man have gone down very well with fans, with only Iron Man 2 really coming in for any harsh criticism. But which one was the best? Vote below and lets hear your reasoning in the comments section. This one should be close enough I think. Iron Man might have been a favorite before Captain America but I see many of you guys listing that as your fave now. Anyway, we shall see! By TwitterButtons.com
