

If you're like me, you're sitting at home wishing you would've gone to the San Diego Comic Con this year and vowing that you'll attend next year. By all accounts this was a return to form for the 'comic book' convention with an onslaught of con exclusives for Iron Man 3, Ant-Man, Guardians of the Galaxy, Captain America: The Winter Soldier, Thor: The Dark World, Man of Steel and more. But which reveal was you're absolute favorite, did you shed a tear like some folks upon seeing the Man of Steel footage?
