

We've now seen teaser posters for each of the major comic book movie releases in 2012 (no Man of Steel due to the fact it's been delayed until 2013 of course) and while each of them are equally unrevealing, I'm curious about which of the teasers you guys like most. Is it the glossy logo of The Avengers? Do you prefer the atmospheric sight of buildings crumbling for The Dark Knight Rises? Or do the glimpses of The Amazing Spider-Man's suit and Ghost Rider: Spirit of Vengeance's flaming hand get you more excited? Here's your chance to decide...
