

Following the awesome set photos posted by DCMarvelFreshman earlier today (find them [HERE](#)) we now seem to have confirmation that the threat The Avengers assemble against will indeed be of an extra terrestrial origin. The question now is, who exactly will it be?! Below, I've included a list of all the main Marvel Universe alien races, but feel free to let me know if you'd like to see anyone else added.

**The Badoon** The Badoon are a reptilian alien species. They are notable for having a gender schism, resulting in two separate societies; the Brotherhood of Badoon (ruled by a 'Brother Royal') and the Sisterhood of Badoon (ruled by a Queen). The Badoon are older than the Kree and the Skrulls.

**The Brood** The Brood aren't just savage, they're evil, intentionally enjoying the suffering they cause others, especially the terror their infection causes their hosts. They've been compared to "demons".

**The Celestials** The Celestials are a
