

While the past few decades have seen the creation of such classic Spider-Man villains as Venom, Carnage and Morlun, there can be no doubting the fact that the real classics were brought to life in the 1960's by Stan Lee and Steve Ditko. With The Amazing Spider-Man bringing the Lizard to the big screen for the first time, most fans are hoping to see more of the duos characters introduced in the recently announced sequel. Although Sam Raimi's trilogy gave us Green Goblin, Doctor Octopus and Sandman, there is nothing stopping new director using them again...especially as the portrayal of them in the past was vastly different to the originals in many respects. Regardless, here is your chance to vote for which of the villains you most want to see next. I've included as many as I could think of, but if I've forgotten a few of the more obscure ones,
