

A cast list for The Russo Brothers' Avengers: Infinity War has surfaced over at MovieCastingCalls, and it seems to provide us with an idea of which characters we'll see (and won't see) when the movie hits theaters in 2018. Though it still hasn't been made official, we did expect Brie Larson's Captain Marvel to make her debut in this film and that would seem to be confirmed here. Plus, in addition to the main Guardians of the Galaxy cast, it looks like Karen Gillan's Nebula will also be along for the ride. You may notice a certain Wallcrawler is conspicuous by his absence, but Tom Holland did recently say that Spidey's inclusion in this installment was uncertain, so this might just confirm that he won't join the fray until the still untitled Avengers 4. We also have a supposed synopsis for Black Panther, which is almost certainly fake - but you can check it out here for yourselves and see what you make
