

Warner Home Video have revealed some new details surrounding their next DC Animated film Superman Vs. The Elite, based on the storyline "What's So Funny About Truth, Justice and the American Way?". Included are the possible cover art and an official plot summary. Check them out below: The Elite, a team of super-powered antiheroes, is renowned for killing their enemies. Despite the acclaim and approval the Elite enjoy, Superman knows they are in the wrong, creating more harm than good by their methods. Tensions between them finally culminate in a mass showdown on Jupiter's moons, when Superman is forced to prove that violence is never a positive. Apparently, the above cover artwork may not be the final design, and are subject to change. Share your thoughts in the usual place. Starring George Newbern as Superman and Pauley Perretteice as Lois Lane, Superman Vs. The Elite is set to hit DVD, Blu-Ray, On Demand and
