

Thanks to @tomhollabr, we have a first look at what appears to be the first teaser poster for Spider-Man: Homecoming. As you can see, it appears to put the wall-crawler's new logo front and centre, and that's a good way for Marvel Studios to make a bold statement. The Twitter account also claims that fans at Brazil's CCXP on Friday will get to see the first teaser trailer for the highly anticipated reboot. It's previously been reported that that will be attached to Rogue One: A Star Wars Story, but could this be a sign that it will be online sooner rather than later? Perhaps, but if nothing else, you have to believe that we'll at least get a description or that it could even leak. We'll have to wait and see! Starring Tom Holland, Michael Keaton, Zendaya, Donald Glover, Jacob Batalon, Laura Harrier, Tony Revolori, Tyne Daly, Bokeem Woodbine, Marisa Tomei, Robert Downey Jr., and almost countless others, Marvel's Spider-Man: Homecoming is directed by Jon
