

Thanks to a heads-up from CBM's own, TheBlackWidow (aka, Twitter's @Zarina_Romanoff) we have the following spoilers which were posted on the SHH Forums by "protocida". As usual, take something like this with a huge grain of salt, but they certainly fit in with what we've heard before and as I'm sure you'll agree, sound pretty damned amazing! **WARNING: SPOILERS AHEAD!** -The Star Sapphire crystal will appear. -There's a reference to "the prophecy" in the Book of Oa. Probably referring to the war between the Green Lantern Corps and the Sinestro Corps. -The ring speaks. When Hal first uses it, it says "Voice signature identified. Willpower registered. Ring online." -Kilowog's power ring makes a cannon-like "BOOM" sound, like in the comic books. -Hal's constructs include a gattling gun, a giant green hand, a dune buggy, an anti-aircraft gun, a F-18 jet, a sword, giant pulleys and much more. -Sinestro's trademark weapon is a double-edged
