

While chatting on Bombad Radio, Marvel Studios stuntman Andrew Lawden spoke very freely about some of the things we can expect in two of Marvel's highly anticipated phase 2 movies, Thor: The Dark World and Iron Man 3. As I said, we can't be certain all of this is completely accurate, but I can't see any reason for the guy to make it up either, so we'll run under the assumption that these are legit SPOILERS, and you can consider that your final warning! If you don't want to know details on the likes of a Mandarin/Iron Man clash, plot development in Thor 2 involving Jane Foster, and a main character's death, stop reading now.. THOR: THE DARK WORLD - "Thor becomes reunited with Jane who becomes possessed by a Dark Spirit, which is connected with the Dark Elves; a race the Asgardians have fallen out with many years beforehand [...] The
